SUBJECT: Approval of Adopted Budget for 2016-17 and Fiscal Stabilization Plan

California Public Agencies are required by law to prepare financial reports and budgets which show all revenue and expenditures. The Board of Education is required to approve the SACS report including certification that the District will maintain the statutory reserves for the next three years. A public hearing on the Adopted Budget was held on June 23, 2016 at the regularly scheduled Board of Education meeting.

Per Education Code Section 42127 Annual Budgets must be adopted by the Board of Education on or before July 1. The Adopted Budget for 2016-17 is based on the new funding model for Local Control Funding Formula (LCFF). The Multi-year projections are based on the Governor’s May Revise and Department of Finance projections for the LCFF.

The Adopted Budget and Fiscal Stabilization Plan show the current and two subsequent fiscal years are maintaining the required 3% Reserve. The Adopted Budget qualifies for a Positive Certification.

We recommend the following motion:

That the Board of the Montebello Unified School District, approve the adopted budget for the 2016-17 fiscal year including a Positive Certification and Fiscal Stabilization Plan.

SUBJECT: Approval of Local Control and Accountability Plan (LCAP) for 2016-17, 2017-18 and 2018-19

The State of California required as part of the Local Control Funding Formula (LCFF) that District’s prepare a Local Control and Accountability Plan (LCAP). The LCAP describes how the District intends to meet annual goals for all pupils, with specific focus on English Learners (EL), low income students, and foster youth. Based on analysis of student performance data, input obtained from parents, teachers, students, classified staff, administrators and the State priorities the LCAP was created. A public hearing was held on June 23, 2016 and a copy of the Draft LCAP has been posted on the District’s website. The LCAP is currently being reviewed for approval by the Los Angeles County Office of Education (LACOE).

We recommend adoption of the following motion:

SUBJECT: RESOLUTION NO. 26 (2015-2016) RESOLUTION REQUESTING BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES TO ESTABLISH TAX RATE FOR BONDS OF THE MONTEBELLO UNIFIED SCHOOL DISTRICT EXPECTED TO BE SOLD DURING FISCAL YEAR 2016-2017, AND AUTHORIZING NECESSARY ACTIONS IN CONNECTION THEREWITH.

On June 7, 2016, voters on the District approved Measure GS, which authorizes the District to sell up to $300 million of General Obligation Bonds. The Education Code of the State of California provides that the Board of Supervisors of each county shall annually, at the time of making the levy of taxes for county purposes, estimate the amount of money required to meet the payment of the principal and interest on the bonds authorized by the electors of the District and not sold, and which the Board of Education of the Montebello Unified School District informs the Board of Supervisors in their belief will be sold before the next tax levy, and further provides that said Board of Supervisors shall levy a tax sufficient to pay the principal and interest so estimated.

At this time, the District plans to sell bonds in Fiscal Year 2016-2017. However, the District has determined that it is not possible to sell the District’s bonds by the June 30, 2016 deadline for the Auditor-Controller of the County to calculate the tax rates necessary to pay debt service on such bonds in order that such tax rates may be reflected on 2016-2017 property tax bills of taxpayers in the District. However, the County will accept, and the District will provide to the County prior to their deadline, estimated debt service on the proposed bonds such that the tax can be levied.

Levying the tax makes for a more efficient financing for District taxpayers as otherwise the initial year’s interest costs on the bonds would have to be borrowed, increasing the total cost of the bonds.

Approval of this Resolution will have no impact on the District’s General Fund.

We recommend adoption of the following action:

We recommend approval of Resolution 26 (2015-2016) requesting the tax levy as described. By achieving inclusion on the County tax roll for this next fiscal year, the District will be positioned to pay off its bonds more efficiently and will need to borrow less funds overall for its debt program. This will reduce interest costs to the taxpayers, which over the life of the program is estimated at $5.5 million.

WHEREAS, this Board of Education (the “Board”) of the Montebello Unified School District (the “District”), located in Los Angeles County (the “County”), California, is authorized to, and intends to, issue a 2016 Election, Series A of its bonds for purposes authorized by the voters of the District on June 7, 2016; and

WHEREAS, the Board of Supervisors of the County is required to take action approving a tax rate for payment of indebtedness of the District during Fiscal Year 2016-17, and it is the responsibility of the Auditor-Controller of the County to calculate the several tax rates for the Board of Supervisors’ action thereon; and

WHEREAS, this Board has determined that it is not possible or advisable to sell the District’s bonds in time to permit the Auditor-Controller, or other appropriate County official, of the County to calculate the tax rates necessary to pay debt service on such bonds in order that such tax rates may be reflected on 2016-2017 property tax bills of taxpayers in the District; and

WHEREAS, the Education Code of the State of California provides that the Board of Supervisors of each county shall annually, at the time of making the levy of taxes for county purposes, estimate the amount of money required to meet the payment of the principal and interest on the bonds authorized by the electors of the District and not sold, and which the Board of Trustees of the District informs the Board of Supervisors in their belief will be sold before the next tax levy, and further provides that said Board of Supervisors shall levy a tax sufficient to pay the principal and interest so estimated; and

WHEREAS, this Board deems it necessary and desirable to issue a series of the District’s bonds during Fiscal Year 2016-17, as authorized by the Education Code, and that the County levy a tax for payment on debt service estimated to come due on such bonds during Fiscal Year 2016-17, and believes that said bonds will be sold during said Fiscal Year;

The proceeds of such tax shall be deposited into the debt service fund of the District established pursuant to the Education Code for bonds of the District.

Section 4: Application of Tax Proceeds. In the event that the bonds of the District are not sold during Fiscal Year 2016-17, or sold in such amount and on such terms that the proceeds of the tax requested in Section 3 hereof, or any portion thereof, are not required for payment of debt service due on the bonds, or payment of other outstanding bonds of the District payable from the debt service fund of the District, this Board hereby requests that the Auditor-Controller, or other appropriate official of the County cause the remaining proceeds of the tax to be held in the debt service fund and applied to debt service on outstanding bonds of the District coming due in Fiscal Year 2017-18.

Section 5. Filing of Resolution. The Secretary of this Board is hereby authorized and directed to file forthwith a certified copy of this Resolution with the Clerk of the Board of Supervisors of the County, and to cause copies of this Resolution to be delivered to the Auditor-Controller and the Tax Collector of the County.

Section 6. Further Authorization.
