Whereas, Over 55% of these administrators are principals and assistant principals who provide direct support for the educational program at school sites; and

Whereas, Research documents have determined that one of the main attributes of effective schools is the competent leadership of the principals; and

Whereas, Other certificated and classified administrators provide leadership and support for the educational program by developing and implementing the curriculum, selecting textbooks and instructional materials, recruiting, training and evaluating classified and certificated personnel, managing the budget and monitoring cost controls, implementing school board policies in compliance with federal, state, and local regulations and laws, planning and maintaining school facilities, and providing transportation, nutrition, and social service programs to students and their families; and

Whereas, The Montebello Unified School District administrators have become increasingly efficient and effective, with fewer administrators managing more schools with more students and more programs than in the past; and

Whereas, The school administrative team includes confidential employees who assist in the performance of many critical functions; and

Whereas, School administrators and confidential employees ensure that effective and innovative classroom instruction is promoted in every classroom in the district;

NOW, THEREFORE, BE IT RESOLVED BY THE MONTEBELLO UNIFIED SCHOOL DISTRICT BOARD OF EDUCATION, That the week of October 13 through October 19, 2019, be recognized as the Week of the School Administrator in honor of the many outstanding contributions and services provided by the administrative team in the Montebello Unified School District to all students; and

#12F – EMERGENCY DECLARATION FOR THE LOS ANGELES COUNTY OFFICE OF EDUCATION, RESOLUTION NO. 17(2019-2020) AWARD OF CONTRACTS WITHOUT BIDDING AND ADVERTISING TO REPLACE THIRTY-THREE (33) CHILLERS AT BELL GARDENS HIGH SCHOOL

Public Contract Code Section 20113 permits the governing board to award contracts without bidding and advertising when an emergency condition exists wherein certain works, repairs, alterations or improvements are necessary to a facility of a public school to permit the continuance of existing school classes or to avoid danger to life or property.

There are thirty-three (33) chillers at Bell Gardens High School located on the A-Wing, B-Building and C-Building that are over thirty (30) years old that are defective and non-operational at this time and require immediate repairs/replacement. The District has been maintaining the units and making the required repairs for the past thirty (30) years and in some cases forty (40) years, and now the units have been deemed beyond economical repair.

These three structures house a total of seventy-six (76) rooms that house students and administrative staff on a daily basis. They consist of the main office, counselors’ office, career center, principal’s office, computer lab, home economics, teachers’ work shop, teachers’ lounge, and sixteen (16) classrooms that provide education to our students.

The conditions created by the operative failure and irreparable condition of the thirty-three (33) chillers at Bell Gardens High School constitutes an “emergency” as defined by Public Contract Code section 20113. Replacement of the chillers is an integral part of ensuring a safe and adequate educational environment and therefore, it would create an incongruity and not produce any advantage to the District to competitively bid the work. District personnel obtained a proposal and is requesting that Carrier Commercial Services, City of Industry, California, perform the necessary repairs and installation of the thirty-three (33) chillers. The estimated not to exceed cost for this work is $475,055.00 (inclusive of a $100,000.00 owner’s contingency, if required). A payment bond will be furnished before allowing the performance of any work costing more than $25,000.00.

Mr. Cisneros made the following motion, which was seconded by Ms. Flores:

That the Board of Education adopts the attached Emergency Resolution No. 17(2019-2020) to Award Contracts Without Bidding and Advertising to Replace Heating/Air Conditioning Unit at Bell Gardens High School as per the attached resolution. The estimated not to exceed cost for this work is $475,055.00 (inclusive of a $100,000.00 owner’s contingency, if required). The agreement will be on file in the Procurement Office. Funding will be provided by the Restricted Maintenance Account #01.0-81500.0-00000-81100-6510-0001370.
