President Flores read the following statement:
On behalf of the Board of Education, I want to express our appreciation to Certificated Management, Classified Management, Classified Supervisory, Confidential Employees, and our Superintendent of Schools for contributing to our fiscal stabilization plan via furlough days during the 2017-2018 and 2018-2019 fiscal years. The Board of Education has been tasked with making difficult decisions in order to run this school district without exceeding our revenues. Even though we submitted a 2018-2019 budget with multi-year projections with a "positive" certification-meaning we will have a balanced budget thru 2020-2021, the Board of Education must continue implementing changes as indicated to the Los Angeles County Office of Education. Again, I want to thank you for displaying leadership-defined as a process of social influence which maximizes the efforts of others toward the achievement of a greater good.

Mr. Chacon made the following motion, which was seconded by Mr. Cisneros:

That the Board of Education rescinds the AMSA furloughs for the fiscal year from July 1, 2018 to June 30, 2019, as follows:

MONTEBELLO UNIFIED SCHOOL DISTRICT
WEEK OF THE SCHOOL ADMINISTRATOR
OCTOBER 8 – 14, 2018
Resolution No. 4(2018-2019)

Whereas, The Montebello Unified School District has approximately 125 certificated and classified school administrators in our public schools: and

Whereas, Over 55% of these administrators are principals and assistant principals who provide direct support for the educational program at school sites; and

Whereas, Research documents have determined that one of the main attributes of effective schools is the competent leadership of the principals; and

Whereas, Other certificated and classified administrators provide leadership and support for the educational program by developing and implementing the curriculum, selecting textbooks and instructional materials, recruiting, training and evaluating classified and certificated staff; managing the budget and monitoring cost controls, implementing school board policies in compliance with federal, state, and local regulations and laws, planning and maintaining school facilities, and providing transportation, nutrition, and social service programs to students and their families; and
Whereas, The Montebello Unified School District administrators have become increasingly efficient and effective, with fewer administrators managing more schools with more students and more programs than in the past; and

Whereas, The school administrative team includes confidential employees who assist in the performance of many critical functions; and

Whereas, School administrators and confidential employees ensure that effective and innovative classroom instruction is promoted in every classroom in the district;

NOW, THEREFORE, BE IT RESOLVED BY THE MONTEBELLO UNIFIED SCHOOL DISTRICT BOARD OF EDUCATION, That the week of October 8 through October 14, 2018, be recognized as the Week of the School Administrator in honor of the many outstanding contributions and services provided by the administrative team in the Montebello Unified School District to all students; and
