January 11, 2021

The County of Los Angeles Department of Public Health recently issued “Revised Temporary Targeted Safer At Home Health Officer Order For Control of COVID-19: Tier 1 Substantial Surge Updated Response” due to increasing numbers of COVID-19 cases and hospitalizations in Los Angeles County. This new Order is effective Wednesday, December 30, 2020 and will remain in effect for as long as the State Public Health Officer’s Regional Stay At Home remains in effect in the Southern California Region.

We will be closing our schools and facilities (personnel working from home) on Mondays and Fridays (with few exceptions) during the month of January, 2021.

The District may close schools on Mondays and/or Fridays with one week notice to employees assigned to those schools. The notice will occur monthly via District email and include the date(s) and time(s) of the closure(s). Each email notification may address no more than one calendar month.

Days other than Mondays and Fridays may be switched by the recommendation of the school principal and Faculty Club Chairperson, and District approval.

Schools will be open from 8:00 a.m. – 3:15 p.m. on open days.

Signs will be posted at the school (facility) indicating the closure dates.

Meal distribution at certain schools will continue as scheduled.

We thank you for your cooperation and understanding as we continue to keep our communities safe and healthy.

Attentively,

Dr. Anthony J. Martinez
Superintendent of Schools
REVISED TEMPORARY TARGETED SAFER AT HOME HEALTH OFFICER ORDER FOR CONTROL OF COVID-19: TIER 1 SUBSTANTIAL SURGE UPDATED RESPONSE

Revised Order Issued: December 30, 2020

The Revised Order is effective 11:59PM (PST) on December 30, 2020 and will remain in effect for as long as the State Public Health Officer’s Regional Stay At Home remains in effect in the Southern California Region.

Please read this Order carefully. Violation of or failure to comply with this Order is a crime punishable by fine, imprisonment, or both. (California Health and Safety Code §120295; Los Angeles County Code § 11.02.080.)

SUMMARY OF THE TEMPORARY ORDER:

This Revised Temporary Targeted Safer At Home Order for Control of COVID-19: Tier 1 Substantial Surge Updated Response (Revised Temporary Order) is issued to temporarily replace both the most recently issued Temporary Order and Reopening Safer At Work And In The Community For Control of COVID-19 Order (Order) issued by the County of Los Angeles Health Officer (Health Officer). This Revised Temporary Order will be effective from 11:59pm (Pacific Standard Time (PST)) on December 30, 2020 and will remain in effect for as long as the State Public Health Officer’s Regional Stay At Home remains in effect in the Southern California Region.

This Revised Temporary Order has been updated and is issued as a response to the sustained and substantial rise in COVID-19 cases, hospitalizations and deaths. This Revised Temporary Order has been revised to align and comply with the State’s December 3, 2020 Regional Stay At Home Order, as well as the Supplement to the Regional Stay At Home Order issued December 6, 2020. County Health Officer Orders may not be less restrictive than Orders issued by the State Public Health Officer.

The County is part of the Southern California Region (Region), which is defined as the counties of Imperial, Inyo, Los Angeles, Mono, Orange, Riverside, San Bernardino, San Diego, San Luis Obispo, Santa Barbara, and Ventura. Over the last seven (7) calendar days, the County of Los Angeles is averaging 14,614 newly diagnosed COVID-19 cases per day. Between November 13, 2020-December 30, 2020, hospitalizations of confirmed COVID-19 patients have increased by 524% to 7,415. In addition, the adult ICU bed admissions in the Southern California Region rose. And, per the California Department of Public Health, there is no additional adult Intensive Care Unit (ICU) bed capacity within the Region. Because of both the rapid continuing increases in
new cases and test positivity rates within the County and the Region and the lag between case identification and hospitalizations, the Health Officer expects both the number of new cases and hospitalizations, including adult ICU admissions in the Region, to continue to increase.

Per the State Public Health Officer, current projections show that without additional intervention to slow the spread of COVID-19, the number of available adult Intensive Care Unit (ICU) beds in the State of California will be at capacity in mid-December. ICU beds are a critical resource for individuals who need the most advanced support and care and the ability to add additional ICU capacity is limited by the lack of available ICU nurses and physicians as a result of the nationwide surge in hospitalizations and ICU admissions.

Without additional public health interventions and widespread public adherence to the personal preventive actions to avoid being exposed to this virus and spreading it to others, the high levels and rate of rise in both cases and hospitalizations, if either continues, are at risk of overwhelming the ability of hospitals to deliver healthcare to people suffering from COVID-19 and from other illnesses requiring hospital care.

This Revised Temporary Order is issued to ensure that County of Los Angeles (County) residents remain in their residences except as necessary to conduct activities specifically permitted in this order, to limit close contact with others outside their household in both indoor and outdoor spaces and to further reduce the risk of community transmission of COVID-19 resulting from the unprecedented surge of new daily cases. This Revised Temporary Order is issued to reduce capacity at sites where non-household members interact. Limiting interactions among non-household members, especially in places where persons are in close proximity without a face covering or mask, is essential to slowing the spread of COVID-19. It is imperative that all persons and businesses within in the County take personal responsibility and follow all restrictions and infection control precautions required by this Revised Temporary Order. Changes from the previous Temporary Order are highlighted.

This Revised Temporary Order is effective within the County of Los Angeles Public Health Jurisdiction, defined as all cities and unincorporated areas within the County of Los Angeles, with the exception of the cities of Long Beach and Pasadena that must follow their respective City Health Officer orders and guidance. This Revised Temporary Order is effective 11:59pm December 30, 2020 and will remain in effect for as long as the State Public Health Officer’s Regional Stay At Home remains in effect in the Southern California Region.
UNDER THE AUTHORITY OF CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 101040, 101085, AND 120175, THE COUNTY OF LOS ANGELES HEALTH OFFICER ORDERS:

1. This Revised Temporary Order replaces both the most recently issued Temporary Order and Reopening Safer At Work And In The Community For Control of COVID-19 Order (Order) issued by the County of Los Angeles Health Officer (Health Officer). That Order is suspended until the expiration of this Revised Temporary Order. This Revised Temporary Order is issued to slow the current high rates of COVID-19 community transmission and hospitalizations within the County. The Health Officer will continue to assess COVID-19 indicators within the County and the effectiveness of this Revised Temporary Order on an ongoing basis and determine, after consultation with the Board of Supervisors, whether this Revised Temporary Order needs to be modified or extended if the public health risk associated with COVID-19 increases in the future.

2. This Revised Temporary Order’s intent is to continue to ensure that County residents remain in their residences except as necessary to conduct activities as required by law or as specifically permitted in this order, to limit close contact with others outside their household in both indoor and outdoor spaces and to further reduce the increased risk of community transmission of COVID-19 resulting from the unprecedented surge of new daily cases. All persons who can telework or work from home should continue to do so as much as possible during this pandemic. The public’s adherence to sustained Social (Physical) Distancing, consistent and correct use of face coverings/masks, and other infection control measures will slow the spread of COVID-19 and diminish its impact on the delivery of critical healthcare services. Failure to comply with any of the Revised Temporary Order’s provisions constitutes an imminent threat and menace to public health, and a public nuisance, and is punishable by fine, imprisonment or both.

   a) This Revised Temporary Order does not supersede any stricter limitation imposed by a local public entity within the County of Los Angeles Public Health Jurisdiction.

   b) This Revised Temporary Order is consistent with the provisions in the Governor’s Executive Order N-60-20 and the State Public Health Officer’s May 7, 2020 Order, that local health jurisdictions may implement or continue more restrictive public health measures in the jurisdiction if the local health officer believes conditions in that jurisdiction warrant them. Where a conflict exists between this Order and any State public health order related to controlling the spread of COVID-19 during this pandemic, the most restrictive provision controls, unless the County of Los Angeles
is subject to a court order requiring it to act on, or enjoining it from enforcing, any part of this Revised Temporary Order.¹

3. All persons within the County Public Health Jurisdiction must stay home, except to travel to and from Essential Businesses, to work at or provide service to a Healthcare Operation or Essential Infrastructure, to work at, perform or obtain services from an Essential Governmental Function, to engage in Essential Activities, or to participate in permitted individual or household activities, while practicing social distancing and using face coverings/masks as described below.

a) Nothing in this Revised Temporary Order prohibits persons living together as a single household in a household or living unit (“household”) from engaging in permitted activities together. For purposes of this Revised Temporary Order, a “household” shall not include institutional group living situations such as dormitories, fraternities, sororities, monasteries, convents, or residential care facilities, nor does it include such commercial group living arrangements as boarding houses, hotels, or motels.²

b) All public and private gatherings and events with people from more than one household are not permitted except for outdoor faith-based services and outdoor political expression, and as provided in Paragraph 9 of this Revised Temporary Order.

c) People leaving their residences must strictly comply with the Social (Physical) Distancing, as specified in guidance or protocols established by the County Department of Public Health. This Revised Temporary Order requires all persons wear a face covering or mask over both the nose and mouth whenever they leave their place of residence and are or can be in contact with or walking near or past others who are non-household members in both public and private places, whether indoors or outdoors. This includes wearing a face covering or mask when patronizing a business. Wearing a face covering or mask reduces the risk of transmission to others from people who do not have symptoms and do not know they are infected. Wearing a face covering or mask has also been shown to provide

¹ For example, see Burfitt v. Newsom, No. BCV-20-102267 (Kern County Sup. Ct. Dec. 10, 2020). Further this Revised Temporary Order is issued in and for the County of Los Angeles only, and has no jurisdiction over and does not affect the State Public Health orders.

² Los Angeles County Code, Title 22, §22.14.060 - F. Family definition. (Ord. 2019-0004 § 1, 2019.)
some protection for the wearer. The use of face coverings is commonly referred to as “source control.”

d) Persons and businesses within the County of Los Angeles Public Health Jurisdiction are required to follow the local COVID-19 infection control protocols and guidance provided by the County Department of Public Health. In instances where the County has not provided a specific guidance or protocol, specific guidance or protocols established by the State Public Health Officer shall control. All businesses must comply with the County Public Health Protocol applicable to that business sector.

i. In the event that an owner, manager, or operator of any business knows of three (3) or more cases of COVID-19 among their employees within a span of 14 days, the employer must report this outbreak to the Department of Public Health at (888) 397-3993 or (213) 240-7821 or online at www.redcap.link/covidreport.

ii. In the event that an owner, manager, or operator of any business is informed that one or more employees of the business has tested positive for, or has symptoms consistent with COVID-19 (case), the employer must have a protocol to require the case(s) to isolate themselves at home and require the immediate self-quarantine of all employees that had a workplace exposure to the case(s).

e) All permitted activities with individuals of other households and all activities conducted outside the residence, lodging, or temporary accommodation with members of other households must cease, between 10PM and 5AM (PST) except for those activities associated with the operation, maintenance, or usage of an Essential Business, Healthcare Operation, Essential Infrastructure, Essential Government Function, Places of Worship for faith-based services or as required by law. This Revised Temporary Order does not apply to persons experiencing homelessness. Nothing in this Revised Temporary Order prevents any number of person from the same household from leaving their residence, lodging or temporary accommodation, as long as they do not engage in any interaction with (or otherwise gather with) any number of persons from any other household, except as specifically permitted herein.
f) Except as provided in Appendix W, persons arriving in the County of Los Angeles from anywhere outside of the Southern California Region (Region) on or from non-essential travel, including returning County of Los Angeles residents, must self-quarantine for 10 days after arrival. Such persons must stay at home or another place of temporary shelter and away from contact with others, including those in one’s household (unless they are also under quarantine), for a period of 10 days. Quarantine may end after Day 10 if the traveler(s) never had any symptoms and they continue to monitor themselves for COVID-19 symptoms for 14 days after arrival. If such quarantined person develops symptoms of or tests positive for COVID-19 during the quarantine period, they must isolate themselves as required by the Health Officer’s Order for Isolation. For purposes of this Revised Temporary Order, non-essential travel is defined as travel or transportation that is conducted mainly for tourism, recreation, or visitation purposes.

4. This Revised Temporary Order incorporates by reference the following provisions of the recently issued Reopening Safer At Work And In The Community For Control of COVID-19 Order issued by the County Health Officer on November 25, 2020: Paragraphs 4, 5, 6, 10, 11, 12 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, and 26, and Appendices A, B, B-1, C, D, E, G, I, J, K, L, N, O, P, T1, T2, and U. To the extent that this Revised Temporary Order conflicts with any incorporated paragraphs or appendices, this Revised Temporary Order controls.

5. The Health Officer orders the closure of the following businesses, recreational sites, commercial properties, and activities, where more frequent and prolonged person-to-person contacts are likely to occur:

   a) Lounges and nightclubs;

   b) Bars and craft distilleries that possess a valid low risk restaurant public health permit issued by the County of Los Angeles, and breweries and wineries for in-person onsite food and beverage service.

   c) Public entertainment venues: movie theaters, live performance theaters, concert venues, theme parks, and festivals;

   d) Family entertainment centers for all activities;

   e) All restaurants, but only for indoor and outdoor in-person onsite dining until further notice;
REVISED TEMPORARY TARGETED SAFER AT HOME HEALTH OFFICER ORDER FOR
CONTROL OF COVID-19: TIER 1 SUBSTANTIAL SURGE UPDATED RESPONSE | 12/30/2020

f) Cardrooms, satellite wagering facilities, and racetrack onsite wagering facilities until further notice;

g) Indoor playgrounds; Outdoor playgrounds may remain open to facilitate physically distanced personal health and wellness through outdoor exercise following County Public Health Protocols for Playgrounds. Playgrounds located on schools that remain open for in-person instruction, and not accessible by the general public, may remain open and must follow County and State Protocols for Schools.

h) Museums, zoos and aquariums are closed to the public until further notice;

i) Hot tubs, steam rooms and saunas not located on a residential property;

j) Small water vessel charters and outdoor equipment rental;

k) Personal Care Services. Personal Care Establishments include hair salons, nail salons, barbershops, esthetic, skin care, waxing, electrology, body art professionals, tattoo parlors, and piercing shops, tanning salons and massage therapy (in non-healthcare settings). Personal Care Services do not include medical massage that is done based on a referral by a physician or chiropractor.

l) All public and private events and gatherings, unless specifically allowed by this Order.

6. All Essential Businesses, as defined in Paragraph 18 of the November 25, 2020 Reopening Safer at Work Order, unless specific modifications are required by this Revised Temporary Order, may remain open to the public and conduct normal business operations, provided that they implement and maintain the Social (Physical) Distancing Protocol. All Essential Businesses must comply with the applicable County Public Health Protocol(s) for its business sector. An Essential Business’ owner, manager, or operator must prepare and post a Social (Physical) Distancing Protocol and any other applicable County Public Health Protocol for each facility or office located within the County of Los Angeles Public Health Jurisdiction and must ensure that the Essential Business meets all other requirements of all applicable protocols and the Social (Physical) Distancing Protocol.

7. Lower-Risk Businesses are businesses that are not specified in Paragraph 6 of this Revised Temporary Order, and not defined as an Essential Business in Paragraph 18 of the most recent Order. There are four categories of Lower-Risk Businesses: (1) retailers ("Lower-Risk Retail Businesses"), (2) manufacturing and logistics sector businesses that supply Lower-Risk Retail Businesses, (3) Non-Essential office-based businesses, and (4) Indoor Malls and Shopping
Centers. These four categories of Lower-Risk Businesses may be open subject to the following conditions:

a) **Lower-Risk Retail Businesses** that are open for indoor operations must limit indoor capacity to 20% of maximum occupancy. Lower-Risk Retail Businesses must conduct entrance metering of customers. No eating or drinking inside the store. Additionally, special hours should be instituted for seniors and others with chronic conditions or compromised immune systems. Lower-Risk Retail Businesses, which are non-essential, must close for indoor retail operations between the hours of 10:00 PM – 5:00 AM (PST). Lower-Risk Retail Businesses must post and follow County Public Health Protocol, incorporated by reference as **Appendix B**.

b) For any **non-retail Lower-Risk Business**, that is a manufacturing and logistics sector business that supplies Lower-Risk Retail Businesses, the owner, manager, or operator must implement and post the required County Public Health Protocol, applicable to the business type or location, incorporated by reference as **Appendix C**, and must meet all other requirements of the Social (Physical) Distancing Protocol. All employees must wear a face covering or mask over both the nose and mouth at all times while present at work. A face covering must be worn when employees are or can be in contact with or walking near or past others who are non-household members in both public and private places, whether indoors or outdoors.

c) For any **Non-Essential office-based business**, all indoor portions and operations must cease in-person operations until further notice. Non-essential office-based businesses may operate via telework and for Minimum Basic Operations only. Essential Businesses, Healthcare Operations, or Essential Infrastructure whose operations require that employees operate from an office worksite must require employees to telework to the extent feasible and any in-person operations must be in accordance with the County Public Health Reopening Protocol Office-Based Worksites, incorporated by reference as **Appendix D**.

d) **Essential office-based businesses** that are open for indoor operations must limit indoor capacity to 25% of maximum occupancy, and must comply with County Public Health Protocols for Office-Based Worksites, incorporated by reference as **Appendix D**. This restriction does not apply to Healthcare Operations, Essential Infrastructure, and Essential Government Functions.
e) **Indoor Malls and Shopping Centers**, defined as: A building with (7) or more sales or retail establishments with adjoining indoor space, (including indoor swap meets) may be open at up to 20% of overall mall or shopping center capacity. Indoor Malls and Shopping Centers must conduct entrance metering of customers. Additionally, special hours should be instituted for seniors and others with chronic conditions or compromised immune systems. Higher-risk businesses located within an Indoor Mall or Shopping Center as listed in Paragraph 6 of this Revised Temporary Order must remain closed. Food court dining areas and specified common areas located within an Indoor Mall or Shopping Center must remain closed to the public until further notice. Members of the public may not consume food or beverages inside the Indoor Mall or Shopping Center. Outdoor seating is closed to the public. Indoor Malls or Shopping Centers must close between the hours of 10:00 PM–5:00 AM (PST). All essential businesses with an entrance accessible by the public at the exterior of an Indoor Mall or Shopping Center may remain open during those hours in accordance with the limitations set forth in this Revised Temporary Order. The owner or operator of the Indoor Mall or Shopping Center must prepare, implement and post the required County Public Health Protocols for Shopping Center Operators, incorporated by reference as Appendix E.

8. The following sectors, business, and activities may remain open while adhering to the required workplace and operational modifications, and subject to the following conditions:

a) **Music, Film and Television Production.** Operations for music, film and television production must prepare, implement and post the required County Public Health Protocol for Music, Film and Television Production, incorporated by reference as Appendix J, as well as abide by applicable industry-generated protocols. Workers supporting these entertainment industries, studios, and other related establishments such as establishments that provide content for professional broadcast are considered essential by the State.

b) **Day camps.** Day camp owners and operators must implement and post the required County Public Health Protocol for Day Camps, incorporated by reference as Appendix K. Day camps must close in-person operations between the hours of 10:00 PM – 5:00 AM (PST). Day Camps with a COVID-19 outbreak (3 or more cases within a 14-day period) must close for 14 days.

c) **Fitness facilities.** Fitness facilities, including private gymnasiums, may be open for outdoor operations only at 50% maximum outdoor capacity. The indoor portions
of Fitness facilities are closed to the public until further notice. The owner, manager, or operator of fitness facilities must prepare, implement and post the required County Public Health Protocol for Gyms and Fitness Establishments, incorporated by reference as Appendix L. Fitness facilities must close in-person operations between the hours of 10:00 PM – 5:00 AM (PST).

d) [intentionally omitted.]

e) Professional sports without audiences. Professional sports teams and franchises may continue operations and competitions without audiences. The owner, manager, or operator of professional sports teams and franchises must prepare, implement and post the required County Public Health Protocol for Professional Sports Leagues and Facilities Opening for Training Sessions and Spectator-Free Events, incorporated by reference as Appendix N, as well as abide by applicable industry-generated protocols. Workers supporting operations by professional sports leagues and facilities are considered essential by the State. Professional sports teams and franchises must conclude competitions and other in-person operations by 10:00 PM and cease operations between the hours of 10:00 PM – 5:00 AM (PST).

f) Campgrounds, RV Parks and associated outdoor activities. Campgrounds and recreational vehicle parks may remain open. Recreational overnight stays at campgrounds are prohibited, unless used for COVID-19 mitigation and containment measures, treatment measures, providing accommodation for essential workers or those displaced as a result of fire or other emergency, or providing housing solutions, including measures to protect homeless populations. The owner, manager, or operator of campgrounds and RV Parks must prepare, implement and post the required County Public Health Reopening Protocol for Campgrounds, RV parks and Cabin Rental Units, incorporated by reference as Appendix O.

g) Schools (K-12) and School Districts. The County Public Health Officer requires all public and private schools (K-12) and school districts within the County of Los Angeles to conduct distance learning. Since September 14, 2020, K-12 schools may offer in-school services for a small, stable cohort of students with Individualized Education Programs (IEPs) or English Learners (ELs) needing assessments and/or specialized in-school services, with priority given to students with disabilities. Other prioritized groups for in-person support and services include students not participating in distance learning, students at risk of abuse or neglect, foster youth,
and students experiencing homelessness. Permissible in-person specialized services that require cohorting of students, must limit the maximum stable cohort size to twelve (12) students and two (2) staff (not including aides assigned to children with special needs), and adhere to all provisions for safe opening of schools, as outlined in **Appendix T1**: Reopening Protocols for K-12 Schools. Schools must limit the number of students with IEPs and ELs, and other prioritized students allowed at any one time on campus for essential assessments and/or specialized in-school services to 25% or less of the total student body. In addition, Schools may reopen TK-2nd Grades for classroom instruction with a waiver application approved by the County Department of Public Health. Schools and School Districts that are permitted to reopen for prioritized individual and cohorted students (K-12) or upon an approved waiver application (TK-12) must follow the Reopening Protocols for K-12 Schools and the Protocol for COVID-19 Exposure Management Plan in K-12 Schools, incorporated by reference as **Appendices T1 & T2**. K-12 Schools with a COVID-19 outbreak (3 or more cases within a 14-day period) must close for 14 days.

**h) [Intentionally Omitted.]**

**i) Institutes of Higher Education.** Colleges and universities in Los Angeles County will not be able to resume all in-person academic instruction, at this time. Institutions may continue to offer in person training and instruction for essential workforce for required activities that cannot be accomplished through virtual learning. All other academic instruction must continue to be done via distance-learning as specified in the County's Protocols for Institutes of Higher Education incorporated by reference as **Appendix U**. Faculty and other staff may come to campus for the purpose of providing distance learning, and other activities related to the purposes above, as well as maintaining minimum basic operations. Limited activities may take place on the campus as defined in the County's Protocols for Institutes of Higher Education. The institution must comply with all relevant portions of the County's Protocols for Institutes of Higher Education to maximize safety for all employees, also noted in **Appendix U**.

**j) Outdoor Malls, Shopping Centers, and Swap Meets** may remain open at up to 20% of overall mall or shopping center capacity. These establishments must conduct entrance metering of customers. Additionally, special hours should be instituted for seniors and others with chronic conditions or compromised immune systems. Food court dining areas and common areas located within an Outdoor Mall, Shopping Center or Swap Meet must remain closed to the public until further notice. Members of the public may not consume food or beverages on the
premises. Restaurants may only offer food and beverages for takeout, drive thru or delivery. Outdoor seating is closed to the public. Outdoor Malls, Shopping Centers and Swap Meets must close between the hours of 10:00 PM–5:00 AM (PST). The entities identified in Paragraph 3(e) of this Revised Temporary Order may remain open during those hours in accordance with the limitations set forth in this Revised Temporary Order. The owner or operator must prepare, implement and post the required County Public Health Protocols for Shopping Center Operators, incorporated by reference as Appendix E.

k) **Hotels, Motels and Shared Rental Units**. Hotels and lodging cannot accept or honor out-of-state reservations for non-essential travel, unless the reservation is for at least the minimum time period required for quarantine and the persons identified in the reservation will quarantine in the hotel or lodging entity until after that time period has expired. When the Regional Stay Home Order is in effect in a region, hotels and lodging can only offer accommodation for COVID-19 mitigation and containment measures, treatment measures, accommodation for essential workers, or providing housing solutions, including measures to protect homeless populations. The owner or operator must prepare, implement and post the required County Public Health Protocols for Hotels, Lodging and Short-Term Rentals, incorporated by reference as Appendix P.

l) [Intentionally Omitted.]

m) **Essential Retail**. Essential Retail Businesses are defined in Paragraph 18 of the Order, which is incorporated by reference into this Revised Temporary Order. Essential Retail Businesses, such as, Retail Food Markets, Gas Stations, Appliances, Electronics, Banks/Credit Unions, Pet Stores, Laundromats, Hardware, Automobile Dealerships, Auto Repair are open at 20% of maximum indoor capacity and following appropriate retail protocols. Stand-alone grocery stores where the principal business activity is the sale of food may operate at 35% of capacity (based on building code occupancy limits). All access to grocery stores and retail food markets must be strictly metered to ensure compliance with the limit on capacity. The sale of food, beverages, and alcohol for in-store consumption is prohibited. Grocery stores and retail food markets must comply with County Public Health Protocols for Grocery Stores and Retail Food Markets, incorporated by reference as Appendix B-1. Outdoor Certified Farmers Markets must comply with County Public Health Guidance for Certified Farmers Markets and limit occupancy to 35% of outdoor capacity.
n) **Restaurants.** Restaurants and other food facilities that prepare and serve food are open but only for delivery, drive thru, and carry out. Indoor and outdoor onsite dining is not permitted. Outdoor seating is closed to the public. Restaurants may continue to offer delivery, drive thru and carry out between the hours of 10:00 PM – 5:00 AM (PST). Restaurants with a moderate risk or high risk restaurant permit issued by the County Public Health and other food facilities must follow the revised Public Health Protocols for Restaurants, incorporated by reference as Appendix I. Cafeterias, commissaries, and restaurants located within hospitals, nursing homes, or other licensed health care facilities may provide dine-in service, as long as Social (Physical) Distancing is practiced;

o) **Breweries and Wineries.** Breweries and wineries are closed for in-person onsite food and beverage service. Breweries and wineries may remain open for production, manufacturing, and indoor retail operations at 20% of maximum indoor occupancy following County Public Health Retail Protocol, incorporated by reference as Appendix B. These establishments must close in-person operations between 10:00 PM – 5:00 AM (PST).

p) **Childcare Facilities.** All childcare facilities, including those operating at schools, must operate under the LAC DPH Childcare Guidance and the following conditions: (1) Childcare must be carried out in stable cohorts of 12 or fewer (“stable” means the same twelve (12) or fewer children are in the same group each day); (2) Children shall not change from one group to another; (3) If more than one group of children is cared for at one facility, each group shall be in a separate room. Groups shall not mix with each other; (4) Childcare providers shall remain solely with one group of children.

q) **Drive-In Movie Theaters / Drive-In Events.** Drive-In movie theaters and drive-in events are recommended to close. Those that remain open must adhere to the following conditions: All occupants of each car are members of the same household. Operators must follow County Public Health Drive-In Movie Protocol. The movie showing or event must end by 10:00 PM and remain closed until 5:00 AM (PST).

r) **Libraries.** Libraries that are not on campuses of Institutes of Higher Education may remain open at 20% of maximum indoor capacity. Libraries may elect to continue curbside pick-up operations.

s) **Swimming Pools.** Outdoor and indoor pools that serve members from more than one household are closed, except that outdoor pools that offer regulated lap
swimming (one swimmer per lane) may remain open and drowning prevention classes, including swim lessons with certified instructors, are permitted indoors and outdoors. All gatherings at pool areas are prohibited. Must close for operations between the hours of 10:00 PM – 5:00 AM (PST).

t) **Places of Worship.** Places of Worship should engage in outdoor or remote faith-based services and other related activities for all attendees, especially those who are vulnerable to COVID-19 including older adults and those with co-morbidities, given the increased risk of community transmission of COVID-19 resulting from the unprecedented surge of new daily cases, hospitalizations, and premature deaths, as well as the severely reduced Intensive Care Unit (ICU) bed capacity. When carrying out virtual activities indoors, it is recommended that no more than 10 individuals participate in production and broadcast process; anyone participating in production and broadcast must follow infection control and physical distancing requirements. The number of persons on site (indoors or outdoors) at any time shall be reduced as needed to permit compliance with physical distancing and infection control requirements, as specified in the Social (Physical) Distancing Protocol (*Appendix A*), including but not limited to Places of Worship staff and attendees at any faith-based services maintaining a minimum of six feet between attendees from different households and that all attendees must wear a face covering or mask over both the nose and mouth at all times while in attendance and when walking near or past non-household members, among others. If drive-in outdoor services are offered, cars are directed to park at least 6 feet apart. The California Department of Public Health advises that “activities such as singing, and chanting negate the risk-reduction achieved through six feet of physical distancing” due to an increased likelihood for transmission from contaminated exhaled droplets. Consider practicing these activities through alternative methods (such as internet streaming) that ensure individual congregation members perform these activities separately in their own homes or alone in a separate room at the Place of Worship. Please review the State Industry Guidance for Places of Worship and Providers of Religious Services and Cultural Ceremonies [here](#). The Centers for Disease Control and Prevention recommends organizations consider temporarily suspending singing, chanting, or shouting, especially when indoors. If attendees choose to sing, chant, or shout, encourage them to continue wearing their masks while doing so and increase the distance between people to greater than 6 feet. The protocols set forth in *Appendix A* and in this paragraph 8(t) do not obligate and should not be read to, in any way, encourage Places of Worship to resume any in-person activity.
9. **Permitted Activities.** The following activities are considered Essential Activities, and are specifically permitted under this Revised Temporary Order:

   a) Engaging in activities or performing tasks important to the health and safety of family or household members (including pets), such as, visiting a health or veterinary care professional, obtaining medical supplies or medication, visiting a physician or child's pediatrician for routine care, such as, well-child visits and vaccinations;

   b) Obtaining necessary services and supplies for family or household members, or delivering the same, such as, obtaining grocery items or necessary supplies from Essential Businesses for one's household or for delivery to others;

   c) Performing work for or accessing businesses that are open, or to carry out Minimum Basic Operations for businesses that are closed or operating remotely.

   d) Obtaining or accessing services from Essential Governmental Functions, such as, accessing court, social and administrative services, performing jury duty or complying with an order of law enforcement or court;

   e) Caring for minors, the elderly, dependents, persons with disabilities, or other vulnerable persons;

   f) Obtaining in-person behavioral health or substance use disorder support in therapeutic small group meetings, such as Alcoholics Anonymous or Narcotics Anonymous, provided that the gathering is outside and limited to 10 people or fewer and Social (Physical) Distancing is practiced.

   g) Obtaining in-person faith-based counselling services where the service cannot reasonably be practiced remotely, provided that the gathering is outside and limited to 10 people or fewer and Social (Physical) Distancing is practiced.

   h) [Intentionally omitted.]

   i) Permitted activities include engaging in outdoor recreation activity (as an individual or household), in compliance with Social (Physical) Distancing requirements and wearing a face covering, subject to the following limitations:

      i. Outdoor recreation activity at parks, trails, piers, and beaches, and other open spaces must comply with any access or use restrictions separately
established by the Health Officer, government, or other entity that manages the area to reduce congestion and the resulting increase in risk of COVID-19 transmission. Individuals can engage in active recreation at beaches, parks, and trails by themselves or with members of their household; team sports and any gatherings are prohibited unless with members of only one household. Must close for operations between the hours of 10:00 PM – 5:00 AM (PST).

ii. Shared outdoor facilities for recreational activities, including but not limited to golf courses, tennis, bocce and pickleball courts, children’s playgrounds, shooting and archery ranges, equestrian centers, model airplane areas, community gardens botanical gardens, skate parks, and bike parks may remain open for individuals or members of a single household while following Social (Physical) Distancing requirements and wearing a face covering. All persons must comply with any access or use restrictions separately established by the Health Officer, government, or other entity that manages the area to reduce congestion and the resulting increase in risk of COVID-19 transmission. Must close for operations between the hours of 10:00 PM – 5:00 AM (PST).

iii. Local public entities may elect to temporarily close certain streets or areas to automobile traffic, to allow for increased space for persons to engage in recreational activity permitted by and in compliance with Social (Physical) Distancing requirements specified in this Revised Temporary Order.

j) Participating in a Vehicle-Based Parade. Wherever possible, vehicle parades should be canceled for the duration of this Order. Parades may only be held under the following conditions: The host of the Vehicle-Based Parade must comply with all local ordinances, traffic control requirements, and state and local laws. Only persons from the same household may occupy a vehicle. Further, the host of Vehicle-Based Parades must comply with County Public Health Vehicle-Based Parade Protocol, incorporate by reference as Appendix G. Vehicle-Based Parades may not occur during the hours of 10:00 PM – 5:00 AM (PST).

k) Participating in an in-person political expression as long as the protest is held outdoors. Outdoor political expressive activities are permitted without a limit on attendees. Persons participating must wear a face covering or mask and maintain physical distancing of six (6) feet between persons or groups of persons from
different households at all times, as well as observe the Department of Public Health Protocol for Public Demonstrations.

10. Pursuant to Sections 26602 and 41601 of the California Government Code and Section 101029 of the California Health and Safety Code, the Health Officer requests that the Sheriff and all chiefs of police in all cities located in the Los Angeles County Public Health Jurisdiction ensure compliance with and enforcement of this Order. The violation of any provision of this Order constitutes an imminent threat and menace to public health, constitutes a public nuisance, and is punishable by citation, civil penalty and injunction, fine or imprisonment.

11. This Order shall become effective at 11:59 PM (PST) on December 30, 2020 and will remain in effect for as long as the State Public Health Officer’s Regional Stay At Home remains in effect in the Southern California Region.

IT IS SO ORDERED:

Muntu Davis, M.D., M.P.H.
Health Officer,
County of Los Angeles

12/30/2020
